

Dr. Donna Gavin

Gavin joins In-Sight clinic

Dr. Donna Gavin has joined the staff of In-Sight, serving at its Low-Vision Clinic on a part-time basis.

Gavin brings over 25 years of experience to the organization and will be practicing at the Jefferson Boulevard Clinic on Thursdays.

She is a graduate of Wheaton College and received her doctorate of optometry from the New England College of Optometry.

Jamestown baseball lists upcoming deadlines, tryouts

The Jamestown Baseball Association wants to remind boys who will be between the ages of 13 and 15 on April 30 that they are eligible to try out for the new Babe Ruth team.

This is the first time Jamestown has fielded a senior league level team in many years. To accommodate players, the association is extending the registration deadline to Friday, March 10, for 13- to 15-year-olds.

Registration deadlines for all other age groups, both boys and girls, will still be on March 31.

Register players by downloading a registration form at www.jamestownri.com/baseball, and then mail it in with the appropriate fee.

Registration forms are also available at the Community Center and Baker's Pharmacy. When registering players for the 13- to 15-year-old Babe Ruth team, parents should write in "13-15" in the top right corner of the form, and note that the registration fee for 13- to 15-year-old players is \$65.

The annual indoor baseball tryout will be held on Saturday,

April 1, at 8:30 a.m. at Sam Horn's Around the Horn Indoor Sports Complex on Route 2 in East Greenwich.

All Babe Ruth and first-time major league candidates are required to attend this tryout. Players who cannot attend must call Tony Rafanelli at 423-3953.

Present major league players should not attend these tryouts since they will remain in the major league. Players between the

ages of 9 and 12, by April 30 are eligible to try out for the major leagues. Players' forms must be submitted prior to tryouts.

Players and families should refer to the Jamestown Press in the next few weeks regarding announcements of the outdoor practices and tryouts that will take place in April.

During the first week of April, outdoor tryouts will be for the Babe Ruth and Major League-

level candidates. During the remainder of the months, outdoor practices will be held for all age groups.

These outdoor sessions will occur on Tuesdays and Thursdays at 5:30 p.m., Saturdays at 9 a.m., and Sundays at noon at the Lawn Avenue fields, weather permitting. The baseball association will need parents to help with these practices. Baseball experience is not necessary.

Contact Steve Heath at 423-0160 to volunteer.

Wallace receives award from Re/Max

Re/Max associate Linda Wallace from Re/Max Bayview, located at 45 Narragansett Ave., received honors at the annual Re/Max of Rhode Island Awards Banquet, recently held at the Crowne Plaza Hotel at the Crossings in Warwick.

The special awards ceremony recognized individual Re/Max associates and teams in Rhode Island for excellence in sales and service, as well as their commitment to the greater community.

Wallace was named to the Re/Max 100 percent Club, recognizing sales production over the past year. Of 100,000 RE/MAX affiliates, only 23,724 reached this level of sales production in 2005.

"As we forge into 2006, it gives us great pleasure to congratulate Linda and all our team members at Re/Max Bayview for their tremendous accomplishments over the past year," said Dana Phillips and Christine Tanner, co-broker/owners of Re/Max Bayview.

BankNewport continues local charitable giving

BankNewport President and Chief Executive Officer Thomas W. Kelly has announced that the bank contributed more than \$950,000 in 2005 to over 350 non-profit organizations from Newport County, Bristol County, and throughout Rhode Island. The amount is 12.5 percent of the bank's net income for the year.

Through their charitable giving programs, BankNewport extends funding support for community-based programs focusing on community development, education, arts and culture and human services, all to enhance and strengthen the quality of life in communities throughout Rhode Island.

"Historically, we have given 10 percent of BankNewport's net income back to the communities, which is exclusive of our normal bank lending activities. So, it is with great pride that I'm able to share the bank's increased commitment of 12.5 percent last year," Kelly said.

"BankNewport and our employees are dedicated to investing in our neighborhoods. As bankers, we understand long-term investments," Kelly added.

Water Threat Update!

OPEN TO ALL JAMESTOWN RESIDENTS
This Sunday - March 5th - from 4 to 6 PM at the PAC
138 Narragansett Avenue

Is it just a "benign" trash heap or a deadly mine field of toxic waste?

Hear what MACTEC Environmental Engineering has to say about the Town's latest plan to "**protect**" our water supply from the effects of the contaminated waste deposits buried at the Jamestown landfill.

Learn how everyone in Jamestown is vulnerable should our **sole source aquifer** become contaminated.

Discover how 1,400 homes and the Water Department's wells are directly linked to the **same water source** that flows under the landfill trash.

Understand the financial ramifications of reduced property values from the North Island that represent **50%** of the town's tax base revenue.

This event is **OPEN** to all Jamestown residents because **everyone's** drinking water comes from the North Island. This is not a **NIMBY** issue. **It's a PUBLIC SAFETY issue.** We believe, with all the facts, **it will be your issue too!**
