PRAYER

THANKSGIVING

A Prayer to the Blessed Virgin (never known to fail). Oh most beautiful flower of Mount Carmel, fruitful vine, splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin assist me in this my necessity. Oh Star of the Sea, help me and show me here-in you are my mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in this my necessity. There are non that can withstand your call. Oh show me herein you are my mother. Oh Mary, conceived without sin, pray for us, who have recourse to thee (3 times). Holy Mary, I place this cause in your hands (3 times). Holy Spirit, you solve all problems, light all roads so that I can attain my goal. You who gave me the Divine Gift to forgive and forget all evils against me and that in all instances of my life, you are with me. I want this short Prayer to thank you for all things as you confirm once again that I never want to be separated from you even in spite of all material things. I wish to be with you in eternal glory. Thank you for your mercy towards me and mine. The person must say this Prayer on 3 consecutive days. After 3 days, the request will be granted. This Prayer must be published after the Prayer is granted. **K.P.B.**

Conservation Commission reviews trails, boating facilities

By Michaela Kennedy

At its March 14 meeting, the Conservation Commission discussed trails, residential boating facilities, and money for the annual Earth Day Shore Cleanup slated for April 22.

The commission also discussed putting the proposed highway barn at the former landfill site on a future agenda for informational purposes after a complaint from a resident of alleged wrongdoing.

In a non-agenda item, Sav Rebecchi of Sail Street requested to address the commission. Rebecchi complained that Conservation Commission Chairman Christopher Powell wrote a letter confirming the commission's approval of the north end highway barn site. "You took it

upon yourself to write that letter, and you put them (the current commission members) on the hook for this information," he said. The letter in question was on the agenda.

Powell said that he wrote a letter to the state Department of Environmental Management, at the request of the Town Administrator Bruce Keiser, reaffirming the commission's support of the landfill closure and public works facility. Powell said that he had met with Keiser for a review of the commission's history and responsibilities, and Keiser had asked Powell for a statement on commission stationery on the board's position concerning the site for the public works facility.

He read the letter aloud, which included the following statement:

"The Conservation Commission made a decision when the decision was originally made, based on our review and research. This commission is on record as supporting that site."

Rebecchi went on to accuse Powell of "usurping authority" and of being a "NIMBY," an abbreviation for "not in my back yard."

"I object to you taking your own agenda," he said, referring to Taylor Point as a site that was not supported by the commission.

"I object to that," Powell replied.

After the meeting, Keiser acknowledged his request to Powell. Keiser also said that the request for information from the
