

THE *Jamestown* REAL ESTATE SHOWCASE

Volunteers to rehab three Newport County houses

On April 29, from 9 a.m. to 3:30 p.m., Rebuilding Together Greater Newport, an affiliate of Rebuilding Together Providence, will participate in a workday to assist some designated homeowners with repairs to their homes.

Rebuilding Together Greater Newport started six years ago under the guidance of Rebuilding Together Providence. Nationwide in 2005 Rebuilding Together rehabilitated 8,670 houses and non-profit facilities. Some 225,000 volunteers donated their time and skills, and 250 affiliates nationwide completed work in 865 cities and towns.

In order to qualify for the pro-

gram, people must own their home and qualify under the federal Department of Housing and Urban Development income guidelines.

Sponsors pay \$2,500 to back a site and provide volunteers for two days of work. Each house has a volunteer contractor who oversees the work.

This year the Newport County Chamber of Commerce will make repairs to one house in Middletown and two in Newport.

The Newport Hospital/Salve Regina University group is charged with rehabilitating a house in Middletown. One house in Newport has been selected for repairs by the Newport County Board of Realtors.

All donations to Rebuilding Together Greater Newport are most welcome.

For more information, contact Newport County Board of Realtors at 849-5936.

Land in Shores

Build your vacation home in Jamestown Shores and be on vacation all year. A few minutes walk to the Jamestown Shores beach, picnic area, and small-boat launching area. This over 8000 square foot lot has an approved ISDS design from DEM. The buyer will be responsible for getting approvals needed to satisfy the Groundwater Ordinance. Because it is possible that only a home with a small footprint will be allowed, we are picturing here a home with a small footprint that might be approved and would look nice on that lot. The land is offered for sale at **\$165,000** with the DEM permit.
