## Adult piano lessons offered

The Adult Beginner Piano Class Level I is open to adults with no previous piano experience. It is taught by Christine Müller and is a basic introduction into playing the piano and reading music.

Müller has many years of experience working with beginning pianists and is well known for her patience and creativity.

The small class size guarantees individual attention, and the state-of-the art piano laboratory in URI's Fine Arts Center provides students with their own pianos, complete with headphones.

Students should have a keyboard or piano at home to practice on.

The class will begin April 16 and meet for six weeks on Monday evenings from 7 to 8:15 p.m.

For registration and fee information, call the program office at 874-2798.
