

# “CLASSIC WESTWIND COTTAGE”

\$1,799,000

Designed by architect Peter Twombly and built in 1994, this distinctive 5,000 sq. ft. shingle-style home enjoys nine foot ceilings, beautiful millwork and lovely hardwood floors. Just steps away from a deeded right of way to the beach, the unique four - bedroom home has a spacious front porch, gracious foyer, living room with fireplace, and a designer kitchen that opens to a screened dining porch and a sun-filled dining room. Built-in cabinetry highlights the family room/media room, which also opens to the deck. The master suite has a fireplace, turret room with views of the West Passage, and a marvelous master bath. The main living areas are complemented by a separate guest suite above the garage and a finished lower level, with a game room and home office. This park-like property is within walking distance to town. Jackie Perrett, Listing Broker. 401-447-4535
