MELISSA BURROWS FOR SCHOOL COMMITTEE

I am Missy Burrows and I am running for School Committee to be an advocate for your children.

I am a fourth generation Jamestownner and both of my children have been in the Jamestown schools.

My children are Special Education students and their learning challenges have been helped tremendously through the dedicated work of Jamestown teachers and Special Ed therapists and staff. The Special Education program here is considered among the best in the state.

But as parents, we all know it's equally important to offer a top-rated **GENERAL** education program along with a Special Education curriculum so that the needs of **ALL** students are met.

Jamestown has been a leader in offering the inclusion model classroom as a way of giving Special Education students the fullest exposure possible to the regular curriculum and have general students act as role models in the classroom and help them be actively involved in the inclusion curriculum.

Research shows this approach is considered among the most productive and results oriented for **ALL** students and teachers alike.

If elected, I would work to ensure the inclusion classroom model program stays in place in our schools for the benefit of **ALL** our children.

I would appreciate your vote on November 6th.
