were playing not to lose in the first half instead of playing to win.”

Maguire also noted that playing on the turf at Cranston Stadium was not what they expected. North practiced at Brown University and Hendricken to get used to the turf but the Cranston field was much slower than they expected.

North's huge crowd was supportive up to the very last second of play and knew this game would be a battle. Earlier in the season on Sept. 24, East Greenwich handed NK their first and only loss of the season. In their second meeting on Oct. 18, North prevailed by a score of 2-0.

In Monday's finals match-up with Tiverton, Greene was at the top of her game. She scored the

first of her two goals towards the end of the first half with an assist from Stuart. The momentum built for North midway through the second half. With 15:45 remaining, Greene assisted Stuart with the second goal and less than two minutes later Greene turned around and scored the final goal with an assist from Dolce.

Greene could not contain her excitement at the end of the game and said, "I could not have done it without the girls and our coaches, I was just in the right place at the right time to put it in." At the conclusion of the game, Greene was named to the All-Tournament Team.

Commenting on the depth of her squad, an elated and relieved Maguire said, "Last year we were young as far as talent. I started four freshmen last year that are

now sophomores and they were that much more mature to get it done," she said. "I think collectively they are a better team this year and all season we worked on their passing game as opposed to a one-on-one game," she continued.

North was aggressive throughout the game and Maguire noted, "We played them (Tiverton) two times previously and won both games so we had that confidence in our back pocket and right from the beginning they stepped up to the ball."

After a victory lap, the Skippers stood cheering together to accept their trophy.

An ecstatic Dolce concluded, "We are so excited, since we are sophomores this is our first time (in the finals) and it is so exhilarating, it is the best feeling after all our practices."
