Dear Pat,  
I am writing to let you know how happy I am with the job that you did for us at 69 Mill Street in Newport. Your crew did an excellent exterior shingling and paint job on our hundred-year-old building. They were meticulous, easy to work with and very solicitous of our tenant and neighbors.  
I very much appreciate your responsiveness and willingness to keep me apprised of day to day happenings and even though I have been 3,000 miles away during most of the project.  
Thanks, too, for completing the job on time! I would not want to be involved in an outside project of this magnitude as the snows fall.  
If you would like to bring any future clients to the house, please feel free to do so. I also am more than willing to talk with anyone regarding how pleased we are with your work.  
Sincerely,  
*Pam Wiseman*

Patrick,  
Many thanks for the great work you and your crew did at our new home! We really appreciated the effort and skill and timeliness - it took no longer than you said, and your follow-up to make sure we were satisfied.  
It is good to know of a painting contractor who will do what he says he will, when he says he will. We'll certainly call you again!  
Sincerely,

To Whom It May Concern:  
Patrick Baker is a master painter with an extensive knowledge about construction.  
Recently, he painted Eveherdee, my home in Newport, an 1891 Sanford White Victorian. As one knows, Victorian homes are noted for a multitude of colors and Eveherdee sports six wonderful mixtures...beautiful to look at, hard to paint.  
Patrick and his wonderful crew took on the challenge of painting a three-story house with impossibly high eaves and the added task of material matching all along the way. The house turned out magnificently, mainly due to the attention to paint detail on the spindles, grooves and trimlines associated with a Victorian.  
Patrick is first rate, always updating information about any problems and always on schedule. I highly recommend him for any job.  
Sincerely,
