than four minutes later junior Nick Casillas scored with an assist from Andy Hess, who currently leads the southern division in assists. Then, with seven minutes left, defenseman Andy Buresh bounced a 25-yard shot off of the top post and past Borsay to give the Skippers a 3-2 lead.

"After Buresh's goal, our bench was going wild. I really thought that that was going to be the game winner," said Zile.

But the Chargers' Nick Dube scored his second goal of the night with 6:40 left on the clock, and although NK struggled to score once more before the clock ran out, the

game ended with a tie.

Although the game had not ended the way the Skippers would have liked, goalie Spencer Hagist was proud of his team's performance in the second half.

"That was the best half of soccer I think we've ever played," he said after the game. "We just messed up at the end."

Head coach Kyle Froberg, from Jamestown, was also pleased with his team's performance. "We're just getting our focus back," he said. "We had a great training session yesterday, and I was hoping that that would carry over to today's game. And I think it did...in the second half."

Froberg commented on the performance of Garik Smith, Andrew

Bretti, and Sam Baines, his Jamestown athletes. "Andrew Brett has been a pleasant surprise for us," he said. "He's worked hard, trained hard...he can take guys on pretty easily one-on-one."

"Garik has also been great. He's been off the bench a lot and he's had a lot of opportunities. His work ethic has been great this whole season, so hopefully there'll be more opportunities for him to come."

With their record at 11-5-1, North Kingstown played their last regular season game against Coventry on Wednesday night, but the results were unavailable at press time.

"We just have to stay focused, and not worry about tonight's tie," said Froberg. "The confidence is back, and that's what we need."

**Week 5 soccer results**
