Thank You for All Your Support!

It has been an honor and a privilege to serve the people of Jamestown as your State Representative for the past six years. In that role I have had an opportunity to meet and work with so many community and civic-minded people who truly care about the future of Jamestown.

We improved public policy for healthy drinking water, a cleaner Narragansett Bay, and renewable energy. We made important strides on teen health and safety issues through the Teen Center and the Task Force.

I am happy to have met so many of you at local events supporting the arts, theater, music, and education and I hope to continue our relationships.

Thank you for your support for my years of service. It is you, the people of Jamestown, that energized me to continue to do the necessary work, both, at the General Assembly, as well as here on the Island.

I congratulate Representative-elect Deborah Ruggiero and wish her the best in her new position.

As always, if I can assist you in some way or if you would just like to chat, I can be reached at 423-0700.
