MURPHY'S LAW

.....

The dictionary definition of *pandering* should feature a drawing of a license plate with a FOP medallion affixed.

.....

"...first in war, first in peace, and first in the hearts of his countrymen."
 - Henry Lee describing George Washington

.....

But he married a widow.

.....

The longest declared war in US history was the Revolutionary War.

.....

"Heartbreak is life educating us." That is a great line from a truly great movie. Name the movie and win a prize. Clue: the film begins with a shooting, and ends with three people in two pedal boats.
