MURPHY'S LAW

The situation in Iran calls out for a Gandhi.

....

In most appellate courts, matters of life and death can be decided by a simple majority of the judges on the court. Under Rhode Island zoning law, a *super majority* (four votes of five) is needed to obtain relief.

....

The British parliament, with its Labor Party majority, has just elected as its Speaker a member of the minority Conservative Party.

....

"In life, you have to keep focused on the doughnut, and forget about the hole."
