MURPHY'S LAW

To get intense personal perspective into the impacts of this country's development on blacks and native Americans, one can listen to *Mississippi Goddam* by Nina Simone, and *My Country 'Tis of Thee Thy People Are Dying* by Buffy Sainte Marie.

An enormous segment of the Supreme Court jurisprudence of the last 150 years has involved individual and governmental attempts to reckon with those devastating impacts.

The New Haven fire fighter case was the most recent in a shifting and occasionally erratic series of decisions.

We can honor the enormous sacrifices which have been made to protect our freedom and civil liberties by responsibly and dutifully exercising our rights as citizens.
